Re: CUSTODY ATTORNEY CAMPAIGN - *WE CARE ABOUT CHILDREN*

Dear Steve,

Thank you for your firm's generous pledge of \$1,000.00 (\$200.00 per year over five years) to the Dauphin County Bar Foundation for the We Care About Children campaign. "We Care About Children" is not just a slogan; it is a commitment to our low-income families from the leaders of both the bar and the business communities.

Many of our local families experience serious conflict regarding custody issues. Your gift will go directly toward the salary of a full time custody attorney dedicated to providing poor persons access to court. The orderly resolution of these disputes provides both parents and children with a clear road map as to their custody rights.

This campaign will remind the public that poor people can have access to conflict resolution for serious custody disputes. Resolving family law matters benefits both those directly involved and the public at large as stable families make for stable communities.

Thank you for putting our money where it matters. Please do not hesitate to contact me if you have any questions or suggestions for the Dauphin County Bar Foundation Campaign. Our slogan says it all: We Care About Children.

Once again, thank you for your generous support.

Sincerely,

Joseph A. Curcillo III  
President
